

A Place at the Table

Women's Advocacy and
Treatment Coalition on HIV

A Place at the Table: WATCH! is an eight-week webinar series that offers women living with HIV* capacity building and training on HIV disease and treatment advocacy. Treatment advocacy skills and knowledge can provide you with the tools to advocate for yourself to improve your health outcomes and quality of life. *A Place at the Table: WATCH!* will provide a basic overview of information that you need on your path to becoming an HIV treatment advocate.

- Each 1.5 hour webinar will address topics including basic HIV science, HIV treatment, advocacy skills building, and issues especially relevant to women living with HIV
- Participants will be issued certificates of completion by The Well Project after finishing the training program and required tests
- Sessions take place every Tuesday, September 29 – November 17, 1:00-2:30 PM ET

To register and for more information, visit us at
www.thewellproject.org/WATCH2015

**While this program is focused to provide capacity building and training to women and transgender women living with HIV, we encourage all people living with HIV to participate.*

Space is limited to 200 participants for each webinar.
