

Partner with HIVE

Create a world where HIV is not a barrier to sexual wellness and safe pregnancies.

a hub of positive reproductive & sexual health

HIVE has been at the forefront of innovating comprehensive HIV-informed sexual and reproductive health care since 1989. A team of compassionate experts, HIVE provides clinical care, training, advocacy and a virtual hub for disseminating best practices.

HIVE Mission: Advancing reproductive and sexual wellness for individuals, families and communities affected by HIV in San Francisco and beyond.

HIVE Vision: A world where people affected by HIV have safe pregnancies, reproductive autonomy, access to state-of-the-art health care, and enjoyable sex lives.

HIVE Clinic: Based at Zuckerberg San Francisco General Hospital, HIVE Clinic provides multidisciplinary preconception, prenatal, gynecologic and sexual health care to women living with HIV as well as HIV-affected couples. **Clinical care includes:** outpatient/inpatient high-risk obstetrics, obstetric-specific psychiatric care, prenatal nutrition and health education, inpatient nursery care, comprehensive social services, and partner HIV testing and linkages to care.

Our programmatic offerings:

- Reproductive health clinic for men and people who are gender-nonconforming.
- Web series on HIV and sexual/reproductive health topics.
- Printable/downloadable tools and videos for providers and patients.
- Safer conception consultations to providers and people across the U.S.
- A blog by and for people living with and affected by HIV.
- National training and advocacy.

You are part of the HIVE. Join us.

- Share your story on our blog.
- Promote our work.
- Collaborate with us.
- Make a donation.
- Become a corporate sponsor.
- Connect to a foundation grants program.

HIVE thrives on public and private support, and key collaborations. **HIVE is grateful for support from:** Macy's, Mimi & Peter Haas Foundation, San Francisco Department of Public Health, National Institutes of Health, Elizabeth Taylor AIDS Foundation, Gilead Sciences, Janssen Pharmaceuticals, Project Inform, Nike, AIDSvu, and individual donors.

Visit HIVEonline.org for the most comprehensive online resource on HIV-informed reproductive and sexual health.

All San Francisco babies born free of HIV since 2005.
